

## Jack Klemeyer, Founder and Principal

Jack Klemeyer is a veteran business coach, consultant, and speaker. He is the founder of Grow Your Business Coaching; a company specializing in helping solopreneurs and micro businesses attract more clients, grow their business, and live the prosperous life they deserve!

His experience and knowledge comes from his education and experiences holding several leadership positions over a 12-year career with State Farm Insurance Companies after starting and running a successful insurance agency. He also grew up around a passionate entrepreneur, his father, so he understands first-hand, the struggles of the small business owner.

Jack's passion is coaching, writing and speaking. He travels throughout the United States delivering high-energy, educational, inspirational and humorous talks and programs. His commitment to providing excellence in every aspect of his work has resulted in his being named one of the Top 50 Business Connectors in Indianapolis.

Jack has addressed audiences from one to more than 1,000 people in several hundred talks throughout the United States and in Canada. As a keynote speaker and seminar leader, he addresses, engages and develops thousands of people each year. He speaks to both corporate and public audiences on the subjects of Personal and Professional Development, including the executives and staff of many of America's corporations. His exciting talks and seminars on Leadership, Selling, Goals, Strategy, Creativity and Success Psychology bring about immediate changes and long-term results.

He has personally coached more than 1,000 people from employees to C-level executives and company owners as well as entrepreneurs and small business owners from start-ups through all stages. In addition to his coaching, training and speaking programs, he has written and successfully published many articles, webinars, audio products, books and workbooks. Jack brings humorous, but hard-hitting lessons on loving ourselves now and enjoying the journey as we pursue our personal best.

He has consulted for Economic Development Organizations and Chambers of Commerce and developed on-going educational programs for their communities and members. One of the programs Jack has founded is Grow Your Business University, a 10-month course developed to help Chambers of Commerce bring more value to their members and to increase their non-dues revenue. Jack is also the co-creator of the EXCEL program for Economic Development Organizations. In the EXCEL program, Jack facilitates a growing number of CEO Roundtables consisting of business owners of start-ups and Stage 1 business (businesses with 10 or fewer employees) in a hybrid virtual incubator and mastermind type format.

Jack is a member of the National Speakers Association, the Heartland NSA and the International Coach Federation. His professional qualifications include:
